Log House Plants proudly hosts *Green Gardening with Ann Lovejoy*, an invitation for you to visit with Northwest garden writer Ann Lovejoy in her garden and kitchen.

We have a selection of posters and handouts available in our [website library](#). We've also added checkboxes on the availability for laminated posters so you can easily request them to be delivered with your order. Our website is now linked to our [availability](#) to help you research your plants as you order them! Also, each variety on this availability is hyperlinked if you'd like to see photos & growing information. Use the back arrow to return to this page.

**Please Note: all plant material listed is retail ready**

**Legend of availability codes:**  
★ = exceptional  
C = color  
B = budding  
S = small/almost ready  
CF = colorful foliage

	Available signage and handouts. Check box next to your selection, or click the link. Other handouts and POP available seasonally.
